CALENDAR OF FAIRS & MANIFESTATIONS

IN BOSNIA AND HERZEGOVINA 2022

CALENDAR OF FAIRS AND MANIFESTATIONS IN BOSNIA AND HERZEGOVINA 2022.

Every year, the Foreign Trade Chamber of Bosnia and Herzegovina, in cooperation with the Association of Fair Organizers in BiH, prepares a "Calendar of Fairs and Events in Bosnia and Herzegovina" which provides a detailed and chronological overview of the most important business events in the country offering in one place all the necessary contacts as an important prerequisite for the direct appearance of potential exhibitors or visitors to a fair, exhibition, conference, congress or other promotional activity.

Due to the "Corona virus" pandemic, which affected the whole world in 2020 and whose consequences were significantly felt in 2021, as well as due to the introduced restrictive measures of competent institutions and crisis headquarters, both in our country and in the world, this year's Fair calendar we issue in the conditions of various restrictions such as special regulations for larger gatherings indoors, limited travel, additional vaccination certificates, Covid passports, etc.

Nevertheless, we hope that this calendar will make an adequate contribution to the promotion of Bosnia and Herzegovina's economic potential on the domestic and international markets, and to strengthen and improve cooperation and promotion of future economic activities.

Disclaimer:

Please note that this Fair Calendar was created based on official information provided by organizers of individual fair events, and the Foreign Trade Chamber of Bosnia and Herzegovina does not take responsibility for any changes in the dates of the planned events. If you are interested in a particular event from this Calendar, please be sure to check the updated schedule of the fair directly with the organizer.
